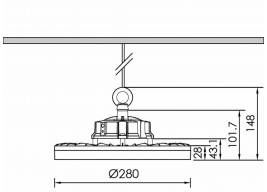
GENUS 5

6 variants

Dimensions



GENUS 5 is an LED high-bay luminaire. The body has a diameter of 280 mm and height of 148 mm. It is intended for high mounting positions in spaces such as warehouses and production halls. Power and distribution are selected according to the mounting height and the lighting requirements of the working area. It is offered with 60°, 90° and 120° beams, allowing the distribution to be selected for each application. The 6500 K version has a colour rendering index of CRI80. Control is available through On-Off and DALI2, to suit the lighting control requirements of the project.

LUMINAIRE POWER

150 W

LUMINAIRE LUMINOUS FLUX

24,000 lm

The power and luminous flux ranges are calculated separately from the listed variants. For an exact combination, see the code details on the site.
